

Dear parents and carers,

Following the successful return of residential and international trips, we are writing to give you an oversight of the range of trips that we are currently *looking to offer* over the next 18 months or so. Following the hugely successful and over-subscribed Barcelona and Normandy trips, we have acted on your feedback and looked to offer a greater range of international trips. Additionally, there are a number of day trips being offered in addition to field studies trips. **Please be aware that there is no guarantee that all of these trips will run, feasibility will be determined once expressions of interest have been sought.** Some of these trips are in the very early stages of planning and so full details have yet to be finalised, such as cost.

Individual trip leaders will be in contact with full details, in due course.

Please be aware that students who are entitled Free School meals are legally exempt from the meals and accommodation part of the trip costs, so do always speak to individual trip organisers about financial help that we might be able to provide, to help with meeting costs.

The trips greyed out are already fully booked.

There are several trips in the list below for which the school will seek Voluntary Contributions and these are denoted by 'VC'. Where insufficient Voluntary Contributions are received, the trip may be cancelled.

Where?	When?	Team	Who is trip aimed at?	Length	Estimated cost	Frequency
Bletchley Park	17 th January	Maths	Year 7	1 day	£40 VC	Annual
Bristol Cathedral, Hindu Temple and Sikh Gurdwara	13th march	RE	Year 7	1 day	£20 VC	TBC
